Square footage of proposed site:

2. Innovation/Efforts to Reduce Cost Per Door: Please describe how the project is using new approaches to deliver housing units at a reduced cost and/or using new approaches to deliver housing at the “speed of need.”

3. Explain how the project will expand housing capacity and strengthen local homeless response efforts.

Project Readiness

1. Please describe the project timeline including the date that units/beds will be available for occupancy. Attach any documentation that may be relevant to describe the timeline in detail.

2. If you have not begun any state or federal environmental (if applicable) review procedures for the proposed project: What is the anticipated timeline for the environmental review(s)?

3. Describe the type of site control that your organization has for the proposed property. If this request includes funds for acquisition, summarize the acquisition terms, price, contingencies, and conditions.

Budget, Financing & Proforma

1. **Project Budget:** Please provide a proposed budget for the project and describe in detail how the Housing Development Grant funds will be utilized. For each item in your project budget, to be attached to this application, please explain how the budgeted amount was derived, whether costs are estimated or bid, and any other relevant information that justifies the budgeted expense (e.g., cost per square foot, percentage of other costs, estimated number of work hours).
2. **Project Financing:** What is the status of all proposed project funding sources as of the date of this application? What is the timing and likelihood for obtaining commitments of anticipated funding sources? In the event that any funding sources are not obtained or are committed at lower levels than requested, what alternatives will be pursued?
3. **Prevailing Wage:** Please describe how the project will comply with prevailing wage requirements or if exempt please provide the justification for exemption.

4. Financial Feasibility: Please provide a proposed project proforma that details how the project will sustain operations and housing services.
